Dear Butch,

It has been brought to the attention of the Hokah City Mayor and Council that you have been working to keep the grass mowed along 1<sup>st</sup>. Street/ County Highway 18.

I understand Mark Cairns has also been making efforts to keep the area mowed and looking nice. And, I must say the two of you are doing a nice job of it.

It looks great!

It would appear the property owners in the area are varied, and I'm sure they as well appreciate your efforts.

Again Butch, Thank You!

Sincerely,

A handwritten signature in black ink that reads "R. Blank".
